Day 2:

Enjoy breakfast at the hotel this morning and a free morning. This afternoon we will set out for Granada. The North African Muslims dwelled in southern Spain for almost 800 years, from their first conquest of Spanish soil (Gibraltar) AD 711 to their final expulsion from Granada in 1492. Two of Spain's most famous monuments, Córdoba's mosque and Granada's Alhambra palace, were the inspired creations of Moorish architects and craftsmen. We will be visiting the Alhambra palace, located on top of the hill Al-Sabika, on the left bank of the river Darro, to the west of the city of Granada and in front of the neighborhoods of the Albaicin and of the Alcazaba.

Day 3:

This morning we board our motor coach and travel to the Moorish city of Ronda. Because of the cliffs here, this was the last city to fall to the Crusaders, and visitors find escarpments, gorges and stunning views. Enjoy a sightseeing tour of this lovely Andalucía town of Celtic origin viewing the Cathedral, the Old Quarter, the oldest Bull Ring in Spain and the magnificent Tajo Gorge.

Cordoba – 3 nights

Day 4:

This morning we depart Marbella and travel north to Cordoba, a captivating city with many attractive monuments. Enjoy a panoramic tour of the city including a visit to the 10th century Mezquita (Mosque), now a Catholic Cathedral, which was converted when the Christians conquered Cordoba in 1236. Our scenic drive continues west to Seville.

Day 5:

This morning after breakfast we will explore the many treasures that Seville has to offer. We will visit the Barrio de Santa Cruz, the former Jewish Quarter, which is a labyrinth of old streets, overhung with beautiful baskets of flowers. As we continue on we will see the Cathedral with its famous Giraldi minaret. After our tour, why not relax and enjoy some of the local restaurants for fine traditional Andalusian food.

Day 6:

This morning enjoy a carriage ride through the park to the Plaza de Espana. The plaza is a massive half circle; the building which now contains government offices runs continuously along the outside of the half circle with a large fountain located in the center. This area starred in the Star Wars movie Attack of the Clones and depicted the royal Planet of Naboo. This afternoon is free for you to relax, explore or shop. This morning after breakfast we will depart Seville bound for Avila, a city just northwest of Spain's capital city of Madrid. We will travel from Seville on the bullet train, taking just 2 ½ hours to get to Madrid where we will board a coach for a transfer to Avila. The ancient city of Avila, declared a "Heritage of Mankind", keeps the oldest and most complete walled environment within its 1.5 mile circular wall and has 90 semicircular towers dating back to the 11th century. Upon arrival we will enjoy a guided walking tour of this ancient city including the cathedral.
